

# IELTS

## (International English Language Testing System)

### Introduction:

The IELTS Preparation program is carefully and specifically designed for all those individuals who aspire to have a future abroad either through education or through immigration. For immigration purposes, we prepare our students with IELTS General and for education purposes, we prepare our students with IELTS Academic. We make sure that our students are provided with the right tools and techniques to achieve a high band in IELTS. Achieving a higher band in IELTS increases the chances of obtaining a scholarship in a university and it also guarantees achieving higher immigration points. Through this preparation program, we will train our students to be English Language experts in all four modules of IELTS including Listening, Reading, Writing and Speaking.

### Learning Objectives:
