West Melbourne Institute of Technology - WMIT is a registered training organization that aims to be a progressive institution to provide quality vocational education and training to domestic and international students.

# DIPLOMA OF SOCIAL WORK

This qualification reflects the roles of community services, case management and social housing workers involved in the managing, coordinating and/or delivering of person-centered services to individuals, groups and communities.

At this level, workers have specialized skills in community services and work autonomously under broad directions from senior management. Workers are usually providing direct support to individuals or groups of individuals. Workers may also have responsibility for the supervision of other workers and volunteers and/or case management; program coordination or the development of new business opportunities.

## CURRICULUM

Sr. No.	Contents
1	Develop and implement service programs
